

FACE COVERING POLICY FOR COVID-19

The COVID-19 pandemic is forcing all of us to act differently, think creatively and adapt frequently and quickly to new procedures and expectations. The student experience at UM-Dearborn is different this year, but what isn't different is the myriad of programs and activities designed to foster growth opportunities and build community. Faculty and staff have been working hard identifying ways to deliver innovative and impactful learning experiences that meet the UM-Dearborn standard of excellence.

UM-Dearborn is following guidance from the Michigan Department of Health & Human Services, as well as the Center for Disease Control.
